Agenda

1. Check In & Introduction

Valuable to learn about what is happening in the lower 48. How we can link what is happening at the federal level to what we are doing on the ground in Homer. Valuable to connect like minded people together on a local level. Agreed to connecting to the lower 48, feels less isolated.. Suggestion, Homer needs to have AvTech/cafes where peer people, RECOVERY FRIENDLY EMPLOYERS need to come out- many of those in recovery that have taken jobs as peer support

- No Wrong Door Policy- no matter what business or organization, the best place to refer someone to help.
- Not just medical homes & clinics- get business owners

2. Action items follow up from previous meeting:

b. Pharmacy Partial Fill

- i. Walmart Opioid Policy
- ii. Pharmacy Questionnaire Ready to Roll!
- lii. OP Ed- on hold until after the local pharmacies are assessed

c. NonOpioid Advanced Directive:

- i. Updates from South Peninsula Hospital

d. Opioid Stewardship? (Stephanie could not find any of this for Opioids.. Link is for the CDC Antibiotic Stewardship) <https://www.cdc.gov/antibiotic-use/core-elements/hospital.html>

3. Gap Analysis- Let's review where we are at, any other priorities surface?

4. Action Plan and Next Meeting Logistics

The SKP Opioid Task Force is supported & made possible by MAPP of Southern Kenai Peninsula

Homer Foundation double booked our time, let's decide on another location for March ONLY.
